PROJECTS

WASHUX Brand System — Saint Louis, MO
Logo Design — Summer 2026

Gathering 9.5K+ monthly profile views and increasing follower count by +21.2% within 30 days through consistent social media posts and cohesive brand system.
Rebranding the WashUX club with a new logo design and design system within four weeks.

Pitchbook Corporate Events Page — Saint Louis, MO
Desktop Prototype — March - April 2026

Producing 20+ screens of Pitchbook's events pages through iterative collaboration with the client
Collaborating with a PitchBook industry mentor to redesign complex data visualizations, aiming to reduce user friction in self-configured column workflows.

GrubHub Mobile Platform — Saint Louis, MO
Mobile Prototype — March 2026

Independently created 30+ screens, including low fidelity to high fidelity wireframes to come up with the final Mobile Prototype
Conducted a student survey with over 80 responses to narrow down pain points within a broad project prompt

EXPERIENCE

WASHUX — Saint Louis, MO
Design Director — August 2025 - Present

Leading 100+ members consisting of beginner designers and UI/UX creators and hosting ~18 workshops a year.
Transforming client briefs into functional digital solutions by leading the end-to-end design process from initial user research to high-fidelity interactive prototypes.

Product Space — Saint Louis, MO
Product Designer — January 2026 - Present

Collaborating with cross-functional teams of designers and managers to audit and iterate on existing interfaces for tech companies such as Open AI and Meta, focusing on streamlining user flows.

Bear Studios — Saint Louis, MO
Design Consultant — April 2026 - Present

Currently designing advertisements for Ranoush, a local restaurant.
Working with real-world clients to audit, redesign, and refine digital interfaces in order to become familiarized with the design process.
